30) Kind attn is invited to the Dir's U.O. No 1663 d. 30th Nov 1916 which contains the previous history of this question (Survey & Demarcation of prospecting & mining blocks) and wherein the Dir has urged the need for entertaining a Special Survey Staff. In Para 4. of that letter he stated that in view of the fact that the cost of the special staff could be met by the moneys recoverable from the licensees (who have to defray all Survey & demarcation expenses under the rules) a temporary staff might be employed for a period of years in the first instance. The then Fin Sec also agreed to this proposal (Please see Para 6 of the note.) on the distinct understanding that the entire charges (for the Establishment) are to be realised from the licensees.

(Action to note Flag H) —

31) From the discussions in the file 73-18. Genl it will be seen that Dr Smeeth tended to the opinion that the work of Survey & demarcation was more in the interests of Govt and that the licensees should be charged only a portion of the expenditure incurred by Govt. This view has not however been specifically accepted by Govt and in fact from Genl file 104-22 cont'g the GO of 16.5.23 directing the disbandg of the temporary staff it will be seen that the reasons in the way of fees (according to the fixed scale GO 7th April 1920) were ever

Serial No.

year a very small percentage of the total expenditure on the staff.

32) In these circumstances it is clear that the fees received by the licencees represent a portion of the expenditure on the Special Staff (But now the temporary Staff has been abolished at the time of disbandment it does not seem to have been considered as to what arrangements were necessary for the Survey & demarcation of prospecting & mining blocks)

Refer Paras 24 & 29

33)

Rec'd. 29/3.

Rec'd 19/3/26

34) It seems to me that in the circumstances, and in view of the urgency of the matter an additional grant subject to the sanction may be placed at the disposal of the Director in the budget under Land Revenue. that the actual expenditure under the head - the cost of the temporary establishment be not entered. the fees received from the Licencees. Then credit will appear on the receipt side as usual From next year a suitable allotment may be made on the expenditure side with a detailed entry in the budget that the expenditure may be limited to

(if the amount asked for, Rs 30,000, should be it is cannot be made by reappropriation)

Revenue Secretary to the Government of
His Highness the Maharaja of Mysore.

3163

GENL. & REV. SECTT. Bn. 15 DEC 1925 G. D. SECTION.

SIR,

I have the honor to submit that, in connection with the five mining leases for manganese ~~to be issued~~ to be issued to the Peninsular Minerals Co., one to Messrs. V. Manickavelu Mudaliar & Son, one to Messrs. Oakley Duncan & Co. and one to the latter again for chrome as recently sanctioned by the Government, demands were made for payment of the deposits & survey fees payable as per rules and accordingly the first two Companies have paid in the amounts demanded and it is expected Messrs. Oakley Duncan & Co. will be paying up the amount shortly. For the mining leases to be issued it is now necessary that the blocks should be got surveyed and demarcated. For this purpose the services of the necessary staff were indented for from the Revenue Survey Department and the Superintendent has agreed to spare for this Department the services of a Senior Classer on Rs.50/- and of a Measurer on Rs.35/-. I have since discussed the subject with the Classer to be deputed by the Survey Department and have ascertained from him that he will be able to get on with the work by himself with the help of one servant and that a Measurer is not required.

2. The blocks to be surveyed are as hereunder:-

Peninsular Minerals Co.,
2 blocks in Hosdurga Taluk.
3 blocks in Chicknaikanhalli, Gubbi & Tiptur Tks.

Messrs. V.Manickavelu Mudaliar & Son.
1.block in Davangere Taluk.

Oakley Duncan & Co.,

1 block in Holalkere Taluk.
1 block in Arsikere Taluk.

3. Rs.600/- has been recovered as survey fees at Rs.100/- per block for the first six blocks and Rs.200/- is demanded in respect of the last two

4. It is now proposed to get through the survey of the first six blocks for which deposits and survey fees have been paid up and it is expected that the work can be completed within two months. The cost of the survey is roughly estimated at Rs.300/- against Rs.600/- received on this account.

5. I now beg to solicit the early orders of Government to engage the services of a Senior Classer on Rs.50/- and a peon on Rs.12/- with the usual travelling allowances as per Service Regulations & necessary contingent expenses and get the survey and demarcation of the mining blocks executed, the cost being met from and not exceeding the survey fees recovered from the parties and credited into the Treasury.

I have the honor to be,
Sir,
Your most obedient servant,

Offg. Director,
Mysore Geological Department.

Secretary to the Government of His Highness
the Maharaja of Mysore,
Revenue Department.

SIR,

In continuation of this office letter to you No.C. 136-9, dated 2nd/5th January 1926, and with reference to your No.I.C.5230/Geol.94-25-2, dated 29th January 1926, I have the honour to report for the information of Government that Messrs. Oakley Duncan & Co., have since paid in the amounts demanded of them on account of the deposits, rents and Survey fees in respect of the two blocks sanctioned for grant to them for manganese and chrome under mining leases. In the circumstances it is now necessary that the survey and demarcation of the blocks should be arranged for and completed and plans prepared for the leases to issue. In this connection I have to invite a kind reference to my letter No.C.414-4, dated 15th December 1925, and to request that early orders may be passed on the proposals made therein Viz. to engage the services of a senior classer and a peon and get the survey and demarcation of the mining block executed, the cost being met from the fees recovered therefor.

I have the honour to be
Sir,
Your most obedient servant,

A. M. Sen

ROUTINE NOTES.

[To be used only for notes, requisitions, etc., not intended for permanent record.]

---

## GENERAL.

*No. G.* 23093—*Geol.* 73-18-9, *dated 7th April* 1920.

The Government of His Highness the Maharaja, are pleased to direct that the following rates of fees be charged for a period of three years, from licensees and lessees towards the expenditure incurred by Government, on account of the survey and demarcation of prospecting and mining blocks applied for :—

(1) For a mining block, Rs. 100.

(2) For a prospecting block—

(*a*) for the first square mile Rs. 100

(*b*) for every additional square mile or portion thereof Rs. 25.

The cost of stones, coolies, etc., should be paid in addition.

By Order,

C. S. BALASUNDARAM IYER,

*Chief Secretary to Government.*

N. B.—Should routine notes be written on small slips the notes must b cipoed, or slips pasted on this form.

Proceedings of the Government of His Highness the Maharaja of Mysore

Read

Correspondence ending with letter No.C.414-4 dated 25rd February 1926 from the Director of Geology stating that the survey and demarcation fees to the extent of Rs.800/- have been credited to the Treasury by the lessees noted in the margin and requesting sanction of Government to engage the services of a Senior Classer on Rs.50/- and a peon on Rs.12/- for a period of 2 months for surveying and demarcating the blocks, the cost (including T.A., etc., as under M.S.R) being met from the fees recovered from the lessees, as noted above.

Order No. I.C. 7685-73 4/5/1926

Dated, Bangalore.

Government are pleased to sanction the proposal of the Director to engage the services of a Classer on Rs.50/- and a peon on Rs.12/- for a period of two months for Survey and Demarcation of the blocks in question.

2. As the fees recovered have been credited to a final head as Revenue in accordance with the present ~~provision~~ procedure and no separate allotment has been provided in the budget to incur such expenditure, Government direct that in view of the urgency of the survey operations, an additional grant of Rs.500/- be placed at the disposal of the Director for the purpose, subject to the sanction of the Legislative Council at its next session, on the distinct understanding that the cost of the temporary establishment

etc., will not exceed the fees recovered from the licensees and lessees.

3. With a view to enable the Department in future, to entertain the necessary establishment for survey work temporarily as occasion requires, on the application of licensees, Government further direct that a suitable allotment ~~will~~ be provided on the expenditure side, from next year with a deduct entry indicating that the expenditure will be met from the fees recovered. Necessary further action may be taken by the Comptroller and the Director in framing the estimates for 1926-27.
